The Future and Finance

As a church, we have committed ourselves to new staffing levels in order to facilitate fulfilling the vision to reach out into our community with the Good News of Jesus and see it transformed by His love and power. The members of the church have committed themselves to financially support the expansion of God's work here. As a valued attendee of BEC, you may or may not already be giving offerings as part of your worship, but if you would like to know more of our current financial situation, please look at the open letter on notice boards around the church and we invite you to pray about your own response.

If you are a member of BEC and have not received a personal letter explaining the current financial situation, we apologise and ask you to please let Margaret Jack know and we will ensure you get one. Thank you.

Would you like to join a Small Group?

Chris and Hannah Shaw are starting a new Small Group to run fortnightly on Wednesday evenings from 8pm beginning September 15th.
